DESCRIPTION

Structure in solid beech wood, solid poplar wood and fibreboard.  
Padding in high-density variable thickness expansive polyurethane foam.  
Upholstery in fabric or leather from the collection.  
Removable quilted padding in polyurethane foam and polyester fibre, upholstered in fabric or leather from the collection.  
The quilted padding for each module features a side flap detail when the module is positioned at the end of a composition or next to a side table.  
This flap is not present when the module is placed next to another upholstered module.  
Structural cushions with goose down filling and upholstery in fabric or leather from the collection.  
Side table upholstered in fabric or leather from the collection, with top in stone cat. A. Top in other stone from the collection available as optional.  
Wooden base with Brushed Bronze finishing.  
Decorative metal nails in Gold finishing with resin inserts col. Black.

IMPORTANT NOTE: The sofa consists of three elements — base structure, quilted padding and structural back cushions.  
All elements must be selected and included to complete the configuration of one full sofa.
